What an amazing difference between the first Purple and White in 1900 and this beautiful, luxurious edition, Volume 39. The first yearbook was issued monthly in small newspaper form, concluding with a special commencement number. Now all the innovations of the printer's art are combined in producing this permanent memento of the class of Nineteen Hundred Thirty-eight.

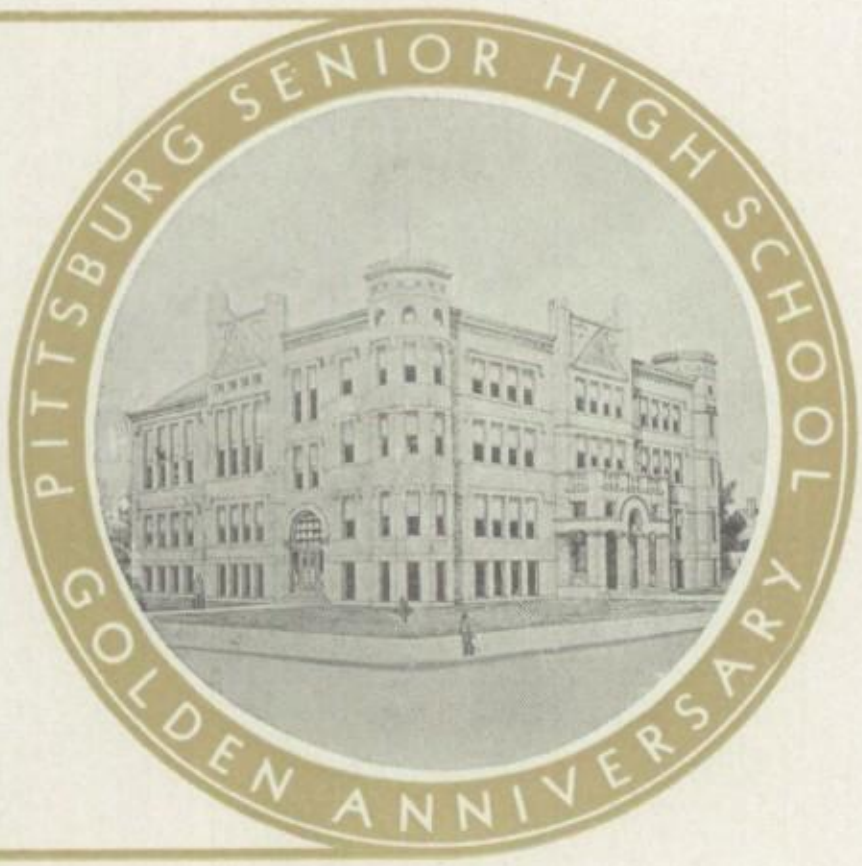
FOREWORD

Fifty years is quite a long time, thinking in terms of the present. A half century ago Indians still roamed portions of the western plains and the city of Pittsburg was but twelve years old. But 'twas just 50 years ago the first class was graduated from the Pittsburg Senior High School. What an important and eventful 50 years they have been, years which have seen more progress in all lines of endeavor than have combined centuries before.

Through these years the Pittsburg Senior High School has taken long and regular strides forward to keep abreast of the times. First occupying a small, frame building, the high school now is housed in a large, modern structure with a faculty of 30 highly trained educators.

Since its beginning, the high school has been located in five different buildings—the first wooden structure, the Washington school building recently razed, the Central school building, the Roosevelt junior high school building soon to be wrecked, and the present edifice erected in 1921.



FOREWORD

The past 50 years have seen addition of many features to the educational program. The first musical group, an orchestra of six, was organized in 1912. This has developed into a music department embracing boys' and girls' glee clubs, mixed chorus, a large band, and a fine orchestra, not to mention quartets and smaller groups.

The journalism department, founded in 1915, now publishes a large, six-column, weekly newspaper. Its first product was a small, semi-monthly paper with four-column pages.

One of the oldest organizations is the Hi-Y, formed in 1912. The student council was organized in 1918 and the Girl Reserve was organized three years later. In 1921 the public speaking and printing departments also were added. The woodwork department was a 1926 curriculum addition.

These are only the major steps marking the forward march of P. H. S. There are many others, all having roles in the annals of the school, but we must pass on, remembering the past and looking to the future.

DEDICATION

The success of any institution is greatly influenced by its beginning. We, therefore, dedicate this, the Golden Anniversary year-book, to that first class of 1888.

The path has been long and the obstacles many, but as that pioneer class finished its course in a day of educational shortcomings, so have successors built up a tradition of scholarship and valor to wh'ch we hope the class of 1938 can add at least a little.

Two full generations have passed since the class of 1888 went into the world, but with our growth and development, let us not forget those who set the pattern for us 50 years before. Their achievements in the face of difficulties now removed have made possible our graduation at this time.

The regular Board meetings are held on the first Monday of each month in the Board of Education offices which are located in the Senior High School Building. Special meetings may be called by the President of the Board.

The need for a new high school was evident so in the year of 1921 and '22 the school was constructed at its present location. At the close of the school year of 1923, the enrollment was 961 with 30 teachers. This was an increase of 115 per cent over the enrollment of 1919 which was 447 with a teaching force of 18. The ground covers an area of four blocks.

1888
1888

It is commendable that this annual shall be dedicated to the first graduating class of the Pittsburg High School. It is impossible to evaluate the influence this school has exercised in the lives of the individuals who have attended it during the past fifty years. We believe this influence, for the most part, has been a determining factor for good in the lives of these individuals.

In the years that are ahead, may this school continue to inspire youth to greater and nobler ideals.

M. M. ROSE, B. S. and M. S.
Superintendent

We like to think of this "Golden Jubilee" annual as a product of the senior class of 1938. It is a real honor to be graduating as the 50th class for this high school.

I wonder if many of you know the wonderful changes that have taken place in this high school in general in fifty years.

Do you know that fifty years ago Pittsburg's high school occupied three rooms with three teachers on the second floor of a small two story building between Ninth and Tenth streets on Broadway?—that at that time there was but one other high school in this district?—one organized in Fort Scott a year or so earlier?

Many of the members of this class will live to see the one hundredth anniversary of their high school when your grand children will be graduating. I, like you, am wondering what a high school will be like—just what will be the nature of P. H. S. when you visit it in 1988, to see your grand children graduate?

The Watermelon is a hobo at large. His pals take W. H. Batchelor's clothes, and while Watermelon is out admiring Batchelor's car, Aunt, Billy, Alphonse, Henrietta, and Bartlett come along, take him for Batchelor, and insist that he come with them. Protestingly, Watermelon allows himself to be brought along with their party. Billy becomes attracted to Watermelon from the first, and very persistently "goes after him." As hard as Watermelon tries to tell them he isn't Batchelor, the more they say he is. Batchelor then appears, and suggests that Watermelon keep up the ruse while he slips one over on Bartlett. So Billy, Henrietta, Aunt, Bartlett, and Watermelon go to the country, where they spend a quiet two weeks. Billy and Watermelon fall in love, and Watermelon finally tells who he really is. Billy doesn't care, but she is afraid her father won't agree. However, Bartlett professes to have a great liking for a young man who has that much nerve, and in the end all problems are solved satisfactorily.

Dear Mabel!

I hate to say the same to everyone but I do wish you lots & lots of the Best!

CLASS WILL

In this year 1938, we, the members of the Golden Anniversary class, being in sound mind, do give and bequeath to our successors and our Alma Mater, Pittsburg Senior High School, all our trophies, goods and possessions, said possessions being divisible into six parts.

SECTION I

Upon one condition, the center section of seats shall be given to our successors, the junior class. Aforementioned condition—these seats shall be surrendered to the alumni on Home-coming Day.

SECTION II

In addition to the multiple joys of the chemistry aromas, the lunch hour rush, and the after-school race for lockers, we leave to the entire student body, the anticipation and the use of the new building being erected on this campus, being ourselves sincerely sorry that we cannot enjoy the use of the many improved departments being installed.

SECTION III

To the members of the faculty and to the Board of Education, we give our enduring gratitude for their efficient administration and guiding teachings. We leave them with the wish that their future undertakings may have success and with the hope that those involving this graduating class may have met their expectations.

SECTION IV

To the various embryonic members of the journalism staff, printing department, and Annual editors, we bequeath the pleasant task of compiling and printing, a weekly Booster and a yearly Purple and White.

To the sponsors of each department we offer our thanks.

SECTION V

To the show cases in our corridors, we bestow our trophies: The S E K crown for the football championship and the second place in the Regional Basket ball tournament.

SECTION VI

To the graduating class, the Golden "Anniversary-ists,"—you have the Whole Wide World in which to make a place for yourselves!

Signed and Sealed This Day

Today, in honor of the twelfth year of graduation for the senior class of 1938 from Pittsburg High School, our entire program will be turned over to the various members of that class.

Some of the entertainers have come a great distance to appear on today's programs. The main feature on today's schedule will be the news broadcast at 11 o'clock. Your commentator will be Norman Smith, prominent newspaper man from Los Angeles. Don't fail to hear him!

We open our activities today with a selection played by a string quartet composed of Billie Louise Heimdale, Katherine Fikes, Gladys Brim, and Marie McCrea. The number they will play is composed by that famous composer, Richard Kennedy. They wish to dedicate this number to their friends in the Robert Darrow Circus: Anna Mae Devine, trapeze performer; Corinne Francis, lion tamer; Bill Landers, the clown; and Dick Dixon, the official water boy. This circus is famous for its good-looking cow boys, Leo Drenik, Kenneth Ellis, Earl Perry, and Roger Masquelier.

If you have any flowers to buy, go to the Brinkman Flower Shop. The proprietor, Doris Brinkman, offers you the best of service with such excellent help as Lorraine Allen, Reba Armstrong, Virginia Forrester, Dorris Gilstrap, and Juanita Ellis.

And now ladies and gentlemen we offer you an extra special treat. It is our pleasure to have that lovely, delightful, blues singer, Lorraine Shields. Miss Shields wishes to dedicate her song to her old pal, Lois Troxel, now teaching in the Caskey and Burke business college. This college, located in New York City, is owned by friends, Jean Burke, and Helen Caskey. Other teachers on the staff are Virginia Ann Gerhart, Loretta McNeill, Lorene Myers, and Margaret Ann Pryor.

Attention all lawyers! If it's a secretary you want, call up the Bee Lord employment agency and take your pick of stenographers. Applicants for this kind of a job are Opal Brooks, Doris Brand, Juliana Fiorucci, Elizabeth Drenik, Eleanora Morgan, Betty Nail, and Margaret Jean Wills.

When you are in need of something to cook for your Sunday dinner, call Davidson's grocery store. Denzel is always glad to serve you, and Bill Ford, his delivery boy, will bring the groceries right to your door. Clerks in the store are Genevieve Farrington, Laundus Nogel, Bert Nunn, and Annavie Morgan.

And now for the latest news of the graduating class of 1938. Your commentator will be that talkative wisecracking guy, Norman Smith! Take it away Smitty.

Other doctors attending the convention were Joe Bosco, Steve Elliott, Jack Gray, and Billy Scott. The main topic for discussion was Loren Jones' new cure for cancer.

And now to Paris, France. Jack Crouch, the American Ambassador to France, has just landed. He took along three secretaries from America, Betty Cunningham, Wanda Workman, and Mary Montemurro.

Dorothy Sherman, missionary to Africa, is home on furlough. She came home in an airplane piloted by Harold Whitcomb, with Bernard Wingebach, co-pilot. The stewardess was Mildred Wright.

That's all the news for today. Remember, this news is taken from the "Broadcasting Newsette," with Bette Jeanne Byers managing editor, and Fay Degen, Frances Hunt, Bob Innis, Don McCollister and Anne Nettels, reporters.

If it's entertainment you're looking for, go to the (Bob) Crews theatre in Frontenac. Lorin Harrison's "Dizzy Bunch" will be the main attraction. This group boasts such stars as Norma Deanne Lewis, famous dancer; Cynthia Leighton, the wonder girl; Irene Harmel, opera singer; and Francis Louise Gray, the greatest actress of her time. As an added attraction and floor show, Lyle Strahan's one and only swing band, composed of Doris Wilson, Elizabeth Wright, Xava Graham, Barbara Jean Barkell, Paul McClure, Finis Bryan, Marion Gibbons, and Dorris Hudson will do their best to make it a delightful evening.

Attention all want-to-be aviators! If you want to really learn how to fly an airplane, go to the Lyle Oxford's "Learn To Fly School" in Wichita. This school guarantees to teach you to fly within sixty days, or your money back. For teachers you will have such famous pilots as Juanita Adams, Florinne Frances, Jacqueline Gore, and Alice Parr. Stacy and Betty Woodbury dance team is dancing at the Grand Casino in Chicago. Alfred Steele, the famous whistler, is in Hollywood in the movies. A quartet composed of Ruth Wiley, Francoise Trumbule, Norman Dooly, and Eugene Reidy is now broadcasting over station CATT.

While out taking your Sunday afternoon drive, stop at the Raymond Crosetto and Bert Wright service station. Betty Ann Bradley, Catherine Bridgewater, Bertha Carlyon, and Elizabeth Frederick will get your gas for you. Thelma Grimes and Laura Jean Johnson will see that your tires have plenty of air, while Marie Roeber cleans your windshield.

Today we are very fortunate to have the Republican candidate for the Governor of Missouri, Melvin Kodas. He will talk on what he will do, if and when he is elected. If Mr. Kodas is elected he intends to appoint his own personal cabinet. The men who will be on his cabinet will be Clifford Black, Gene Choate, Willis Evans, Joe Gradinger, and Frank Harris. He will also have Mary Ann Pasavento, Eulalia Smith, Maxine Vilmer, and Rose O'Donnell as his secretaries.

Ladies! If you are looking for a bright feather to wear in your new hat, go to the June Keesee peacock farm. Harold Furneaux, Raymond Gadberry, and Dewey Kirk, salesmen for this farm, will sell you any feather you want.

When in need of an ambulance, call the Joe Callahan undertaking company. Robert and Ray Konek are drivers of the ambulance.

If it's an attractive dress you're seeking go to the Hazel White exclusive dress shop. Her assistants, Helen Klein, Geneva Prideaux, Dorothy Simion, and Eileen Toeller will be glad to serve you. These dresses are designed by that famous dress designer, Madeleine Hammick.

For our next number we have a quartet composed of Eunice Mae Wright, Velma Moore, Paul Summey, and Milton Glenn. Their accompanist will be Dorena Bell Cain.

When traveling through Mulberry, stop at the "Eat-A-While" Restaurant. This restaurant is owned by Clarence Forrester, Norman Kinsch, and Gilbert Maddox.

For our last number today, Lucille Sinclair will sing a solo, accompanied by Bernice Waite at the piano. Lucille will sing this number for Milo Heatwole and Ed Herbeck, clock manufacturers in San Francisco.

This concludes our broadcasting activities for today. This is your announcer, Jane Laughlin, speaking in behalf of the entire graduating class of 1938, from Pittsburg High School.

"ONE MAD NIGHT"

"One Mad Night," the Junior Class Play, was presented Thursday, October 28, in the high school auditorium. The production was directed by William H. Row and Anna Fintel, sponsors.

The action of the entire play takes place in "One Mad Night" and what a crazy night it is! Don Cutter, a playwright, accompanied by Wing, his proverb-quoting Chinese valet, goes to the Cutter mansion, a lonely house in the hills, to complete his latest play in peace and quiet. The house has been deserted for years, a series of mysterious murders having given it the reputation of being haunted.

Imagine Don's astonishment when he finds the house tenanted by a number of very strange people, including "John Alden," "Priscilla," "Mr. Hyde," and "Lady Macbeth." They are lunatics, under the care of Dr. Bunn whose nearby home has burned down. They are really quite harmless, but Don doesn't know that.

Among the inmates is Lucille, a beautiful girl with an amazing story of persecution and intrigue. Like a true Lochinvar, Don is about to ride to her rescue when his fiancee and her mother appear with their colored maid, Depression. From this point every thing happens from screaming women, talking ghosts, and disappearing guests, to the conclusion which ends happily for all.

FOOTBALL

PRENTICE GUDGEN
Coach

Coach Gudgen climaxed his coaching career at PHS with another undisputed league championship and one of the most successful seasons he has had at the local school. The Dragons won 9 out of 10 games this year. Mr. Gudgen has accepted an assistant coaching job at K. S. T. C. "Arkie" Hoffman, basketball coach, will replace Mr. Gudgen.

DUTCH NOGEL
Co-Captain - End

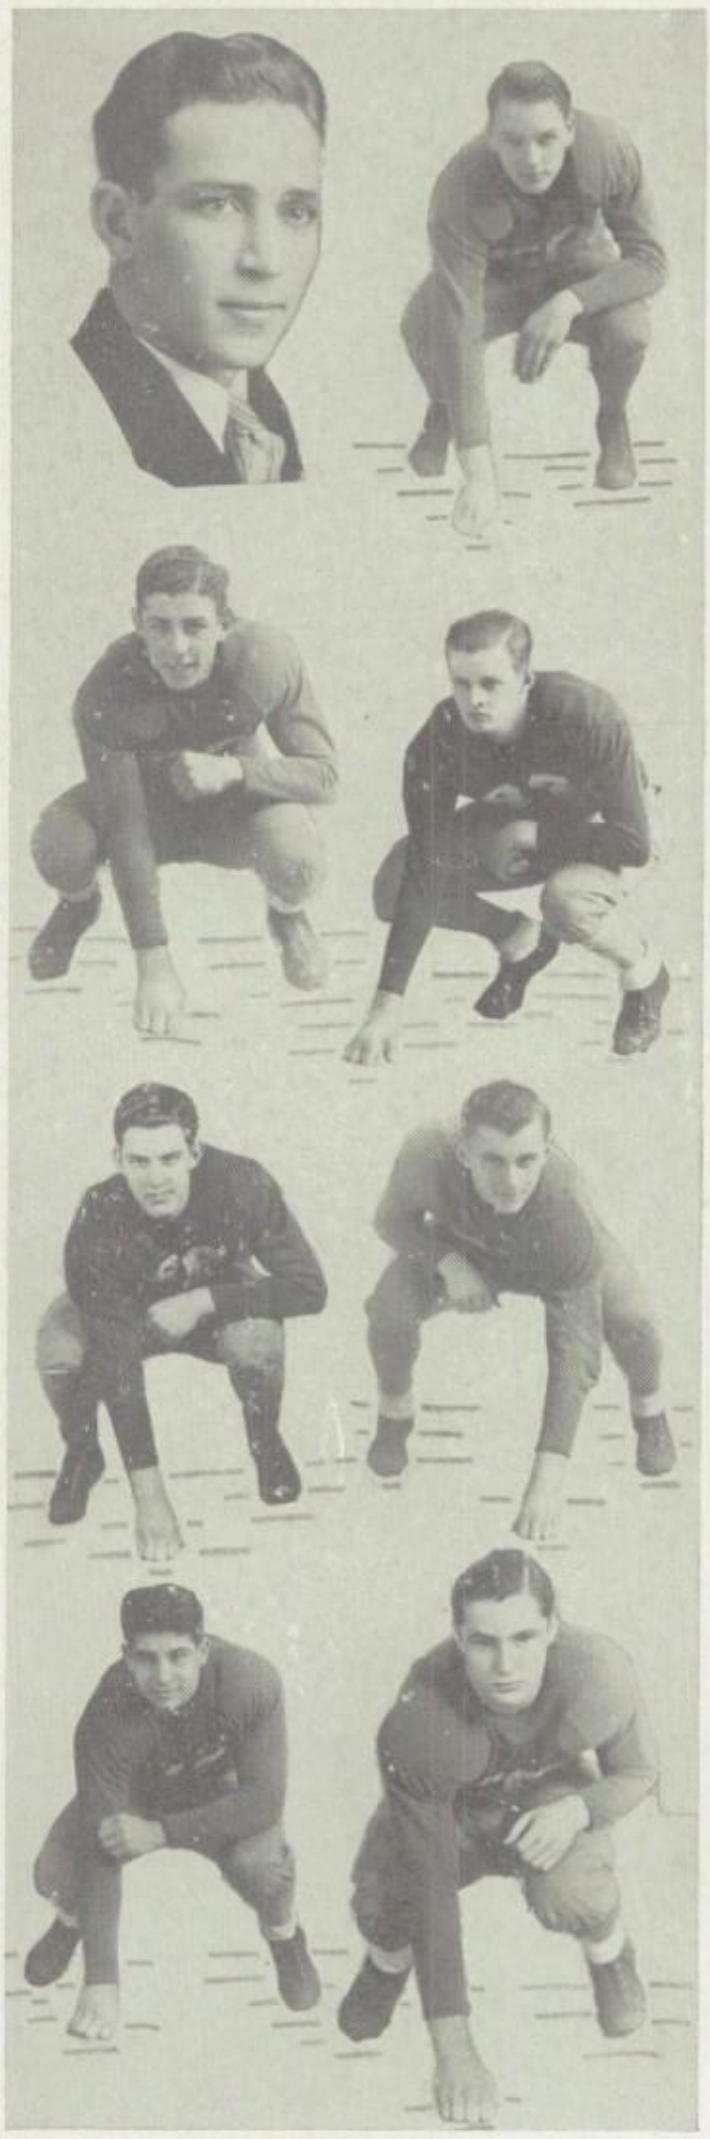
"Dutch" held down the end position for the Gudgen eleven and did a very good job of it. "Dutch" was one of the reasons that the Pitt team had a line that held many teams scoreless. Nogel was selected on the SEK team and by his playing he deserved such a position.

ALFRED STEELE
Tackle

"Slick" was another one of the giants who bolstered the purple line. "Slick" stood 6 ft. 2 inches and tipped the scales at 185 pounds. He was selected on the second SEK all-star team and his ability will be greatly missed by the Dragons next year.

CARL BEARD
Fullback

Carl was the plunging fullback for the purple warriors. He was the best line plunger in the SEK league and captured a position on the SEK all-star team. Beard is a senior this year and will be greatly missed by the Dragon eleven next season.



LAWRENCE FADLER
Co-Captain - Quarterback

"Bud" was the triple threat star of the champion Dragon eleven this year and he earned a berth on the SEK all-star team as quarterback. Fadler played his last and best year for PHS. His running and passing ability was a large factor in the winning of the league crown.

JOHN LANCE
Halfback

Johnny was the most consistent player on the purple eleven. His steady blocking and playing was a main asset in the success of the Gudgen eleven. This is Johnny's last year to play for PHS and his place will be hard to fill.

BILL LAWRENCE
Center

Bill was the lad who backed up the line so well for the Dragons when the going was tough. Lawrence was always a threat to the opponents and played a good brand of ball throughout the season. Bill was selected on the second SEK all-star team. His fine playing will be greatly missed by the purple team next year.

JOE BEGANDO
Halfback

Joe was one of the fastest backs in the league and contributed many touchdowns to the Pitt tallies. Begando was the lad who scored the winning touchdown in the Parsons game, clinching the league crown for PHS. Joe is a senior and will not be back next year to play for the Dragons.

CHARLES RITTER
Guard

"Chuck" was one of the few regulars back from last year's team and who was shifted from the tackle post to the guard position. "Chuck" was a hustling lad who was in there scrapping all the time. He was placed on the second SEK all-star team. He will not be back next year.

EUGENE RIDENOUR
Guard

Eugene was the shifty guard who filled the vacancy left by Carl Beard who went into the backfield. Ridenour was a hustler and a fighting player who never gave up. His pep was an essential thing in the Dragons victories. He was elected co-captain for next year's team and much is expected from him.

WAYMON EDWARDS
Quarterback

Waymon is the lad who will probably fill the signal calling position for Hoffman next season. Edwards was a dependable passer for the Gudgen eleven and has another year to compete for PHS. Much is expected from him.

JACK MARQUARDT
Halfback

Jack held down a backfield position on the Purple squad and was a threat at all times while on the gridiron. Marquardt played an alert game and was a shifty ball carrier. He won his letter and will be back next year for more PHS football wars.

EDWIN RYAN
Quarterback

Ryan was the senior lad who earned his letter by his hustling spirit. "Eddie" was a shifty, peppy lad who never gave up. He will not be back to play for the Dragons next year.

May you always have the best of everything. I wish you every success

JAMES ZIMMERMAN
Tackle

James was one of the giants of the Dragon forward wall who could always be relied upon to get his man. James was a player who improved every game. Zimmerman stands 6 feet 3 inches and weighs 185 pounds. He has one more year to play for PHS.

CHARLES RAY
Guard

"Chuck" was an all-around player for the local team this season and played like a veteran. "Chuck" finished the season playing guard on the purple forward wall. Ray was a very dependable player and will not be back in the Dragon lineup next year.

HAROLD MISHMASH
Center

Harold is a rangy lad who backed up the line for the purple team. Mishmash kept up the spirit of the team with his consistent chatter and fighting spirit. He earned his letter and will be a great aid to the team next season.

Best of Luck & Happiness
Harold Mishmash

JOHN TOELLER
Halfback

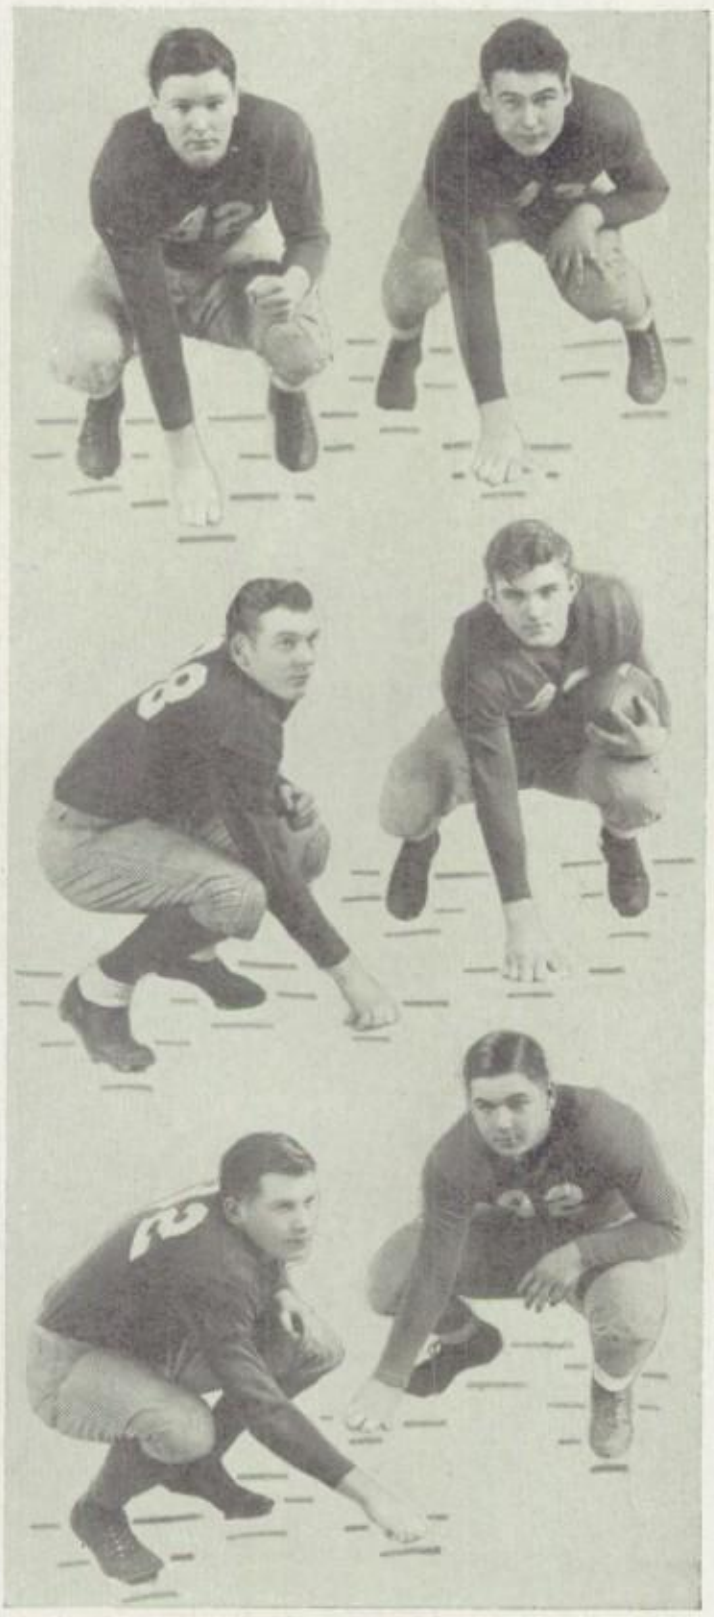
Johnny played halfback on the Dragon eleven and did it exceptionally well. Johnny developed into a good passer and his services will be a great aid to the purple eleven next year.

JOE KELLER
Halfback

Joe is the lad who never gives up and who will be back next season fighting for the Dragons. Keller is a fast back who passes exceptionally well and will be of aid to the Pitt team next season.

HAROLD WILKERSON
End

Harold played end for the locals and did a good job of it. "Wilkie" was good on defense and has one more year in which to give his services for the Dragons.



JACK HARMON
Fullback

Jack was the only freshman who lettered last year and who proved to be a better back this season. Harmon was very fast on the field and has two more years to play with the Pittsburg team.

DON GERMAN
Halfback

Don is another back who will be back trying for a position on the next year Dragon eleven. German is a fast, dependable player who has good running ability and will show more of his wares next season.

WARREN BOTTENFIELD
Tackle

Warren is the smallest lad on the squad but who surprised his opponents by his quick thinking and smart playing ability. "Botts" is only 5 feet 4 inches tall but showed plenty of fight and grit to earn a place on the purple squad. "Botts" will be back next year for a PHS line position and much is expected from him.

The high school boasted one of its best teams in years this season. Under the skillful hands of Prentice Gudgen the Dragons put on the field a well balanced team. It had a fast offense and its defense was the best in the league. Coach Gudgen finished his high school coaching career at PHS with another league crown. During his five years at PHS, he has produced two undisputed championships, one tied championship, one second place position, and one fourth place ranking. His pleasing ways and friendship earned him a fine name at PHS and his absence leaves a gap that neither years nor events can fill.

The sophomore-freshman team was somewhat of a championship team itself in winning five out of eight games. The coaches of this team were Theodore Carnino and Fritz Snodgrass. Much of the winning success of this team should be handed to these two fine coaches. Both worked out daily with the players and should receive recognition. The entire squad was composed of only sophomores and freshman. The team had a good passing and running attack and many of the touchdown passes were 25-yards in length. The youngsters lost their first three games to tough opponents, but after hitting their stride they never lost thereafter. This is the first time that a squad of only sophomores and freshmen had a team and it will no doubt furnish the varsity with about all of its stars.

"ARKIE" HOFFMAN
Coach

"Arkie" was heavily hit by graduation and had to replace the five regulars of last year's team. Hoffman's team won 15 out of 20 games and finished up in fifth position in the SEK league. "Arkie" will have two duties next year, being coach of football, and also coach of basketball.

WAYMON EDWARDS

Waymon is only a junior this year and will be of great service to "Arkie" next season. Waymon played guard on the team and had a good eye for the basket.

EDWIN RYAN

Ryan was the sharpshooting forward who was the sparkplug of the Purple attack and was always relied upon to add points for PHS. Eddie's ability in hitting the basket earned him a forward position on the SEK all-star team.

Luck, success and everything to a swell girl
A. Steele

JOHN LANCE

John was the most consistent player on the squad and his playing was of a smooth style. Lance was a good defensive man and held his opponents to a few points. This is John's last year and his playing will be greatly missed by the Hoffman cagers next season.

LAWRENCE FADLER

Bud played forward on the Dragon five and was very fast on the court. Fadler was a good passer and his teamwork will be greatly missed by the Dragons next year.

ALFRED STEELE

"Slick" was the giant center of the purple five who was always on hand to get the ball off the backboard and take it down court. Steele was tall and used this advantage very nicely. This is Steele's last year for PHS.

BILL LAWRENCE

Bill played center on the purple five and was always sure to be in the middle of things. Lawrence was a great defensive lad and his playing was an asset to the squad. This is his last year to play for PHS.

NED TRYON

Ned is the lanky lad who will fill the center position for the Dragons next year. Tryon is only a sophomore and is rapidly improving. His height and shooting ability will be a great aid to the purple quintet next season.

JOE BEGANDO

Joe was one of the players who gave the Dragon team its fast break. Begando played good ball throughout the season and his services will be missed by the purple team next season.

GEORGE BUFFINGTON

George is the fast player who came to PHS last season and proved to be a valuable man to the PHS cagers. George is a cool player and will deliver in the pinches. He has another year in which to play for PHS.

FRITZ SNODGRASS AND TRACK SQUAD

Fritz is the third PHS coach and his job is to produce a track team. This job he has done exceptionally well and no one can praise him enough in his splendid leadership in track athletics. He has a fine record and his team has never finished below second in the S. E. K. Last year the Dragons were eked out of the crown by the state champs, Independence Bulldogs, but in the regional the locals got revenge and defeated the Bulldogs. This season he had to build up a whole new team and it surprised everyone by its fine showing.

The G. A. A. officers are chosen in the spring for the following year. For this reason, all of the officers are either Juniors or Seniors.

The success of the organization in accomplishing its purpose, to promote physical efficiency in the school, depends upon the cooperation of these officers and the sponsor, Miss Helen D. Lanyon.

This organization has done much to promote good sportsmanship and athletic ability among the members.

The purpose of the G. A. A. organization is to promote physical efficiency among the girls of the school, to develop a better school spirit, to recognize the athletic ability of girls, and to increase the sportmanship of all the members.

This organization has a point system, including Health, General, and Sports, by which the girls may earn awards such as a silver trophy, a G. A. A. Pin, a large letter P, a small letter P, and an insignia.

The girls enjoy the following sports during the year: tennis, touch-football, ping pong, badminton, basketball, armory ball, shuffleboard, and volleyball. Chinese checkers, also, won much favor among the less active games.

The social activities which the girls had included picnics, a chili supper, and many hikes.

The success of the G. A. A. is due to the co-operation of the sponsor, Miss Lanyon, all the members and the officers, who are chosen the last of each year, so that they will be seniors and juniors.

INTRAMURAL SPORTS

This year due to construction of the new school building, intramural sports were greatly limited. The only outdoor sports participated in were baseba'l and horse shoes. This is the first time for many years that baseball has been included in the intramural lineup.

A smaller number took part in intramural sports this year due to the fact that the major sports made more room than ever before for boys who were interested.

A total of 250 boys were entered in the intramural program and were divided according to ability and skill into eight intramural groups. Each group was sponsored by a facu'ty member. These sponsors were Claude Huffman, Ellsworth Briggs, Lester Ramsey, William Corporon, Howard Lundquest, Charles Thiebaud, Theodore Carnino, and John White. A high grade of sportsmanship predominated throughout the intramural year.

The intramural sports participated in were basketball, boxing, track, golf, tennis, baseball, table tennis, and swimming.

In the intramural basketball tournament, Huffman's team took the class "A" tournament. Members of the team were Merlin Kirk, Jack Broyles, Joe Keller, Clifford Utermoehlen, Harold Wilkerson, Fred Williams, and Albert Earle. From all the players who competed, an all-star team was chosen. Members of the team were Richard Dixon, Merlin Kirk, Verne Kennedy, Jack Broyles, and Richard Alsup. This sport has the greatest turnout of all on the intramural program.

The intramural golf tourney was won by Merlin Kirk with a score of 75. Bob Pratt placed second with Harry Stringham third, Jack Roderick fourth and James Zimmerman fifth. These players also made up the P. H. S. golf team.

In the intramural ladder tennis tourney first ranking was won by Richard Alsup with Eugene Reidy second, Wallace Wright third and Ralph Taylor fourth. These players were on the school tennis team, as long as they maintained their ranking.

In the intramural boxing tourney the following boys won in their respective divisions: 115 pound class, John Slaven; 125 pound class, John Buess; 135 pound class, Jack Miller; 145 pound class, Art Fanska; 155 pound class, George Dinneen and the unlimited class, Dutch Nogel.

Many sports could and would be added to the intramural program if room and facilities permitted.

May God bless you
through life & for ever
Arthur Fanska

Some of the projects the Student Council has sponsored are campus clean-up, the home-coming day program, book exchange and National Safety Week.

It has been a custom of the Student Council on Arbor Day to plant a new tree, to be dedicated to a member of the faculty. The tree this year was dedicated to Lester Ramsey, shorthand instructor, on Tuesday, April 12, 1938.

The Booster, the weekly paper of Pittsburg senior high school, was established in 1915 by Miss Laura J. Finley (Mrs. Smith). It is now published under the direction of William Corporon, journalism, and John E. White, printing. The paper is printed by the high school printing department.

There were twenty-seven members of the Booster staff for the year 1937-38. Juniors are recommended by the faculty for positions on the staff of next year.

The Booster is a member of the Quill and Scroll, international honorary society for high school journalists, the National Scholastic Press association, and the Kansas Scholastic Press Association.

A special edition was issued at Easter, and during the fall, there were special pages devoted to the football games.

The state journalism conference at Lawrence was attended by Norman Smith and Leonard Sellmansberger as the official delegates, and Jacqueline Gore, Anne Nettels, Fay Moselle Degen, Lyle Strahan, Bob Pratt, Dorothy Burcham, Mary Margaret Coles, Irene Brannum, and Miss Maude Laney. The Booster was elected president of the Kansas Interscholastic Press Association for the coming year at the conference.

The course this year covered a wide sampling in the field of journalism. Included were the news story, headlines, features, human interest, editorial, interview, proofreading, copyreading, ad-soliciting, and make-up.

The Quill and Scroll is an international honor society for High School Journalists. The Pittsburg Chapter was organized in 1927 by Miss Laura J. Finley then Journalism Instructor.

Students who are invited are selected for outstanding work on the Booster and the Purple and White. Selection was made by Mr. William Corporon and Mrs. Dora Peterson, and approved by Principal J. L. Hutchinson.

This is the twelfth group to be initiated into this organization, which now has more than 115 members.

The Quill and Scroll was established in 1926, under the sponsorship of the University of Minnesota. Its chief purpose is to encourage and reward the best efforts of high school journalists.

This group held their initiation dinner May 5 at the Besse Hotel.

Dear Maxine,
Gee, honey, I really don't know what to say. Except that I'm terribly sorry that this wonderful year has come to a close. It's been so nice being with you and working with you once again. You're really a swell leader, Maxine. You've made a swell G. R. president this year — the best ever. I certainly enjoyed working on the cabinet with you — (well one I enjoyed!) You made every thing so much nicer! You were at least human about the whole thing — (every thing the cabinet wanted and the yearbook didn't!) Well it was all a lot of fun! Remember our cabinet dinners — they were fun!!!!

Well, Well, Who's hiding back there?

This successful year of '37-'38 is to be climaxed by Pittsburg being represented at the 2nd National Hi-Y Congress at Berea, Kentucky, in June by Howard Lundquest, sponsor of Joe Dance Chapter, Bob Akey of the Jimmie Welch Chapter and Junior Whiteman of the Joe Dance Chapter. Twelve hundred boys and sponsors will be present with 48 from Kansas.

This has been a successful year with all six chapters putting over a Standard Program with such merit as to be awarded the four quarterly seals by the Area Council. These seals are placed on the Hi-Y certificates received from the National Hi-Y Council as a reward for National Affiliation.

The following projects, in addition to the Standard Program of two Bible Studies, one World Brotherhood and one service program, required each month by the area Council, show something of the variety of work accomplished:

1. Successful Campus Party for new boys on first Friday night of school.

2. Nov. 9th—52 Cabinet members and Sponsors spent an evening in a Worker's conference in working out, Bible Study, World Brotherhood and Service programs for the year.

3. Had charge of the Thanksgiving Chapel.

4. Sponsored the Dixie Melody Masters, a Negro Quartette, instead of annual Hi-Y play.

5. G. R. and Hi-Y Christmas party. Each one attending brought canned goods, food or money. Two bushel baskets of food and $2 was received for the Salvation Army baskets.

6. Fourteen boys and two Sponsors attended the District Conference at Ottawa.

7. Post card shower for Negro Boy in hospital.

8. Second Annual Bundle Day. Posters were distributed to all homes in City. Following Saturday bundles collected. Five hundred garments and 100 pairs of shoes were received. These distributed to needy and worthy students. Remainder given to Salvation Army.

9. Annual visit of Bruce Tallman, speaking to meeting of six chapters.

10. Bob Stover attended Camp Wood.

11. Plans are being made for a large delegation to Camp Wood this summer.

The Girl Reserve organization for the school year 1937-8 has done splendid work under the leadership of Maxine Humbard, president, the cabinet, and the sponsors.

The annual conference for the Girl Reserves of this district was held at Neodesha from November 19 to November 21. Twelve members and three sponsors attended the meet where they learned what the neighboring chapters were doing.

One of the outstanding events of the year was the Bundle Day which the Girl Reserve and Hi-Y organizations co-sponsored. This plan was such a success that it is to be made an annual affair.

The two organizations also sponsored a special entertainment by the Dixie Melody Masters which took the place of the annual G. R. and Hi-Y play.

The Girl Reserve organization was divided into six groups, each headed by a sponsor. The girls met in these groups every other week for a discussion period.

PURPLE AND WHITE

This year's Purple and White is bound in gold in celebration of Pittsburg High School's golden anniversary. Fifty years ago this school presented its first class with diplomas. This issue is dedicated to the few students who were members of that class of 1888.

The first annual was published in 1900 under the leadership of its editor, the late P. T. Ellis. The staff were truly pioneers. They published the book without the aid of any member of the faculty. Mr. Ellis wished to help issue this number, but was prevented by his death in August of last year.

Members of the staff are chosen by the annual sponsors and J. L. Hutchinson with the aid of the faculty. Students were selected for their ability in various phases of work connected with their positions.

Second row: Travis Turner, Harold Walker, Earl Majors, Melvin Kodas.
Bottom row: Bob Akey, James Marchbanks.

This is one of the best years, in a financial way, that the debate classes have ever had. This is the first year that the debate classes have ever paid for themselves.

To begin the season this year, a debate tournament was held between the debaters at the High School. One hundred twelve debates were held in various class rooms. Pratt and Williams won this tournament with Marchbanks and Akey placing second. Former P. H. S. students acted as judges for the finals and semi-finals of the tournament. They were Howard Marchbanks, Leo Howard, Jim Hand, Ivan Adams, Joe Harrigan, and Virgil Cooprider.

Before the S. E. K. Tournament at Parsons and the Topeka Tournament, a series of twelve debates were held with Arma, Riverton and Mineral.

The season total was two hundred sixty debates. There were 148 tournament debates with 55 wins and 80 losses.

Along with debate, of course, goes extemporaneous speaking. An extemporaneous speaking contest was held at P. H. S. in which Bob Pratt placed first and Bailey Williams placed second.

Pratt entered in the extemporaneous speaking contest at the S. E. K. Tournament at Parsons where he placed second.

The results of the debate tournaments were as follows:

	Won	Lost	Total
K. S. T. C. Pittsburg	29	33	62
Coffeyville Tournament	13	31	44
Topeka Tournament	9	9	18
S. E. K. Tournament	4	7	11

The National Forensic League membership this year are Bob Akey, Jimmy Marchbanks, Travis Turner, Earl Majors and Harold Walker.

The printing classes publish "The Booster" and the "Roosevelt Echo," print tickets, programs, placards, and many forms used in the office of the Board of Education and the high school office. It is a Smith-Hughes vocational course and was first started in the high school in 1921 by Mr. Chester Connet. Mr. Leroy Brewington became instructor in 1926 and in 1935 Mr. John E. White took over the job.

WOODWORK DEPARTMENT

The woodwork department was moved to the High School building in 1921 with Mr. W. W. Williams as instructor. In March, 1935, Mr. Williams left and Mr. Gilbert Butts took over the department for a few months, leaving on October 7, 1935. Mr. Theodore Carnino took over the job on October 21, 1935. Since that time several changes and improvements have been made in the department. However, it is still in a crowded condition which is quite a handicap to good work. A student is permitted to minor in woodwork at the present time.

An advanced drawing class was taught this year for the first time, consisting of advanced machines, architecture, and structural steel for juniors and seniors.

An interesting thing to be said of the woodwork department is that a great many boys take advantage of free periods to do extra work.

PROCTORS

Top Row: Jane Titterington, Margaret Todd, Norma Jackson, Norma June Young, Mary Lou Taft, Ellen Slavin, Virginia Ann Gerhart, Mary Margaret Morgan

The proctor system, a service organization, was started in the high school in 1931 by Mr. William H. Row, speech instructor. For the last two years it has been under the direction of Mr. Ramsey. They are selected for such qualities as self-control, friendliness, obedience to the rules and laws of the school.

The proctors serve at several different positions such as standing at the head of the stairs between classes to see that the students go up and down the right stairs, keeping order in the cafeteria and lunch-counter lines, inspecting passes at the doors, and numerous other tasks.

Proctors who were not in the picture are Virginia Moore and Harold Hyatt.

They were hostesses to about 30 queens from visiting towns.
